OGA2015

THE 15TH ASIAN OIL, GAS & PETROCHEMICAL ENGINEERING EXHIBITION

Show Preview

THE REGION'S NO.1 OIL AND GAS SHOW

2 - 4 JUNE 2015 KUALA LUMPUR CONVENTION CENTRE, MALAYSIA

The Most Important Oil & Gas Meeting Point for the Region

Proven to be the most significant source of latest technologies and best solutions for the Oil & Gas industry in this region – Oil & Gas Asia 2015 will be returning on 2nd to 4th June 2015 and is bigger and more comprehensive than ever!

This grand event is scheduled to take place in the heart of Kuala Lumpur and has now expanded to occupy 20,000sqm of space in Kuala Lumpur Convention Centre and an additional hall in Mandarin Oriental Hotel located next door to the exhibition centre. This will make it a total of ten halls!

Expecting a huge turn out of 23,000 trade visitors from around the globe, OGA 2015 is a networking hub not to be missed for establishing and building business relations with the best in the Oil & Gas market specifically for this region.

OGA 2015 is the most influential gathering of Oil & Gas executives from around the world and a showcase of big names such as ABB, Cameron, Icon Offshore, IHC Asia Pacific, Powertium, M3nergy, SPRO Solution, Neu Dimension, Olio Resources, SapuraKencana, Siemens, Sime Darby Industrial, Tanjung Offshore, Technip, UMW Oil & Gas and Wartsila who are just some of the expected 2,000 participating companies from 50 nations.

We will also be hosting 16 international pavilions from Australia, Austria, Belgium, China, Denmark, France, Germany, India, Italy, Singapore, South Korea, Norway, The Netherlands, Scotland, UK and the USA! Make sure your diary is blocked on 2nd to 4th June for OGA 2015.

This is a meeting you shouldn't miss!

MUDROCK MEDIA SDN BHD
5,000 copies FREE distribution at OGA 2015. Updated Concession Area, PSC List, Marginal/ Brown Field, EOR Project, Offer Area of 2015 Bidding Round, Infrastructures, including Offshore Brunei, East Malaysia & Peninsular.

MULTI FIBRE SDN BHD (BANDAK GROUP)
Bandak-MultiFibre manufactures from Johor, Oil & Gas subsea and surface, simple turn-key and complex structures, components, assemblies, including procurement, fabrication, welding, machining, cladding, coating, testing and delivery.

MULTIMARGA SDN BHD
Multimarga has been in the Safety Industry for Gas Detectors/ Torchlights more than 15 years. We are the distributor for Industrial Scientific and Oldham for Gas detectors, Pelican for equipment case/safety torchlight.

NABER ENGINEERING & TECHNOLOGY SERVICES SDN BHD
Naber Engineering & Technology Services Sdn Bhd aims to provide specialised anti-corrosion supplies and services for Oil & Gas, marine, powerplant, fabrication/ construction and others - especially for onshore and offshore platforms.

NATIONAL OILWELL VARCO
National Oilwell Varco (NOV) is a leader in the design, manufacture and sale of equipment and components used in Oil & Gas drilling and production operations.

NOMADICGURU.COM
Your recruitment expert in Oil & Gas Industry. Focused on helping our clients to look for the best professionals and job seekers to build a successful career.

NORD-LOCK PTE LTD
Nord-Lock Group manufactures safe and reliable Nord-Lock wedge locking washers and Superbolt multi-jackbolt tensioners. We look forward to be your trusted global partner in optimisation of bolted connections.

NUSAPETRO SDN BHD
From concept to market, Nusapetro Sdn Bhd delivers unrivalled technical expertise and strategic insights to the Oil & Gas industry.

OFFSHORE DENMARK
Offshore Denmark - organiser of Danish pavilions at international offshore exhibitions i.e. OTC, ONS, OTD, Offshore Europe and OGA.

OMEGA LABORATORIES INC
Omega Laboratories is the industry leader in hair and oral fluid testing for drugs of abuse. Omega offers competitive pricing, superior service and the fastest turnaround time in the industry.

OPITO ASIA PACIFIC SDN BHD
OPITO is a not for profit skills organisation with a primary objective of helping the Oil & Gas industry build a safe, skilled and competent workforce.

OPRA TURBINES BV
OPRA Turbines is a leading developer and manufacturer of advanced radial gas turbines and gas turbine powered generator sets in the 2MW power range.

PALADON SYSTEMS LIMITED
Paladon Systems' Compact Self-Contained Electro-Hydraulic Systems provide on/off and positioning valve control. 30% smaller and 25% lighter than competing designs, these systems can operate using biodegradable fluid and solar panels.

PANAH JAYA SERVICES SDN BHD
We are manufactures' representative providing technical sales and service of the highest quality for Oil & Gas industry equipment, products and related services with almost 30 years of experience.

PANTECH GROUP
Pantech Group, ONE-STOP CENTER solution provider for Pipes, Valves and Fittings (PVF). Manufacturer and distributor of carbon steel, stainless steel, copper nickel and nickel alloys pipes and fittings.

PELOTON
With data managed by our WellView, Site View, RigView and ProdView software, Peloton provides full operational and integrated well lifecycle solutions for planning, approvals, operations, drilling, facilities/pipeline, and construction/reclamation.

PENINSULAR OFFSHORE SYSTEMS SDN BHD
Peninsular Offshore Systems provides safety & process systems including all emergency shutdown valves, control panels and process sensors. Wellhead, process and shutdown valves including the controls for every application.

PETRACARBON PTE LTD
Provider of leak-free joint engineering management for Oil & Gas, Petrochemical, Power Generation, Marine and Shipyard Industries. Products: Sales/rental of hydraulic and subsea bolting equipment, pumps and in-situ machines.

PHILADELPHIA GEAR – A TIMKEN BRAND
Philadelphia Gear has a global reputation for the design, manufacture and overhaul of critical gearbox applications and for combining engineering know-how with innovative approaches to solving power transmission problems.

PROMAT BD LTD
Manufacturer of Flanges and Pipeline components for Oil & Gas, Petrochemical and associated industries. We manufacture a complete range of ANSI / DIN / API flanges and special machined parts.

PTS RESOURCES SDN BHD
PTS Resources specialisation is in mechanical, electrical and drilling equipment including line pipes, pipe fitting, valves, pump, air compressors, process skids, water treatment and injection, casings, tubings, marine vessels and FPSO/FSO.

PUNCAK JAYA PETROLEUM SDN BHD
Puncak Jaya Petroleum Sdn Bhd is a support service provider to the Oil & Gas industry in both downstream and upstream activities.

QUALITY WIRE PRODUCTS CO WLL
Quality Wire Product - Middle East, is the single largest manufacturer and exporter of internals for separation applications, like demister pads/ mist eliminator, vanepack, random & structured packing, gratings, distributors & collectors.

REXEL LUXLIGHT MALAYSIA SDN BHD
Rexel distributes HAWKE cable glands which cover the whole spectrum of armoured and non-armoured cable and applications from general industrial through increased safety, deluge, flameproof and explosion proof.

ROYAL NORWEGIAN EMBASSY, COMMERCIAL SECTION
"We give local ideas global opportunities", expresses our foremost ambition. We assist Norwegian companies in developing ideas, realising their potentials, internationalisation by providing competence, advisory, profiling, promotional & network services.

SAFETYWARE SDN BHD
Safetyware Sdn Bhd is the leading safety products manufacturer & distributor based in Malaysia with 30 years of experience. We offer more than 3,000 types of Personal Protective Equipment (PPE).

SAMYANG METAL IND CO LTD
With effort and passion, Samyang Metal continues to make the world's best brand through the state-of-the-art technology and high quality products.

SERIMATIK SDN BHD
We care for the health and safety of our customers and the environment. Committed to use the most environmentally responsible products and practices without sacrificing the quality of our services.

SIRIM BERHAD
With over forty years of experience as the government's mandated machinery for research and technology development, SIRIM Berhad is also the national champion of quality. We help businesses compete better through quality and innovation.

SKF MALAYSIA SDN BHD
Whatever your goals – from more productivity and profitability to less maintenance and environmental impact – you'll find solutions to improve your processes and your bottom line from SKF.

SOLUTIA UK LTD
THERMINOL heat transfer fluids are designed to provide thermal stability in Oil & Gas applications with operational temperatures from -115ºC to 400ºC. Backed by the TLC Total Lifecycle Care® program.

SONDEX HEAT EXCHANGERS MALAYSIA SDN BHD
SONDEX is a global leader in plate heat exchanger design and manufacture. We cover many industries, serving our customers with local presence, with years of experience and an enviable reference list.

SPRO SOLUTIONS SDN BHD
SPRO is an integrated solutions provider of steel products, DNV offshore containers, technical and engineering services and project management systems to Oil & Gas, shipbuilding and steel fabrication related industries.

STEEL PLATE & SECTIONS LTD
Suppliers and stockists of high strength structural steel, boiler and pressure vessel steel, stainless steel, chrome moly steels in the form of plates, sections and tubulars.

SUPREME LANDMOBILE & WIRELESS CORPORATION SDN BHD
Established in 1987, Supreme Landmobile & Wireless (SLW) Corporation is a leading Wireless Communication Solutions and Service Provider. SLW offers a complete range of product, from Two-Way Radios, Base Station, Repeaters and Digital Radio system.

SYLVIA ELECTRIC (S) PTE LTD
Sylvia Electric, a leading electrical specialist for cables and accessories for the Oil & Gas industry.

TECH-RENTALS (M) SDN BHD
Tech-Rentals is the largest Test & Measurement rental service provider in Malaysia. With our large product range, TR is well positioned to handle all sectors including Electrical, Environmental, Electronics etc.

TIARA OPHIR SDN BHD
Leading one-stop technical solutions provider for Oil & Gas, Petrochemical and Chemical industries with high quality, cost effective products and services of international reputable brands from around the world.

TRACERCO ASIA SDN BHD
Tracerco Asia provides a range of world leading process diagnostics services and specialist measurement solutions to the process industries. It benefit customers to increase production rates and lower production costs.

UNIT CONCEPT SDN BHD
UCSB involved in engineering processes and projects within Oil & Gas industry; trading and services, specialising in engineering and system integration, an agent for products & systems for hazardous area.

UNITEAM KE MALAYSIA SDN BHD
Uniteam KE Malaysia offers the best rental rates, design engineering and fabrication of Oil & Gas baskets and containers which is certified to DNV 2.7-1 / BS EN 12709 Standard.

UNITED U-LI CORPORATION BERHAD
United U-Li Corporation is the leading manufacturer of high corrosion resistant cable support and cable management systems in Malaysia.

VALMIERA STIKLA ŠĶIEDRA AS
VALMIERA GLASS is a major international producer of glass fibre fabrics for many technical applications - industrial markets including composites, thermal and technical insulation and construction industries.

VOITH TURBO PTE LTD
Voith Turbo helps millions of people and machines to move safely from place to place every day. Our leading-edge technologies transmit and control power under extreme conditions safely in a resource-efficient manner.

WAROM TECHNOLOGY INCORPORATED COMPANY
Your Safety Partner in Hazardous Areas!

WARTSILA SINGAPORE PTE LTD
Wärtsilä offers unique solutions, products and services for every phase of Oil & Gas exploration, production, transportation, storage and refining, both onshore and offshore.

WELLBARRIER
Wellbarrier provides the software Wellbarrier Illustration Tool which helps to visualise how the wells are safeguarded regards to the well barriers. The tool is based-on the NORSOK D-010 standard.

WFN COMPANY
We are specialised in producing and marketing various forged products such as chemical plant, ship-building, power plant and industrial machines.

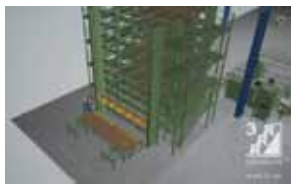
WILHELMSEN SHIP MANAGEMENT SDN BHD
Wilhelmsen Ship Management (WSM) is a part of Wilhelmsen Maritime Services. WSM provides technical management services for LNG/LPG, Ro-Ro PCC/PCTC Vessels, FPSO/FSO, Container, Cruise, Bulk, Seismic and Offshore.

WINNSON MARKETING SDN BHD
EXMAR, Germany. Specialise in SS 316 TI Jointing Technologies. Main Product includes Tube Fitting & Hose Fitting. Winnson Marketing is the sole agent for EXMAR products in Malaysia.

WOOD GROUP MUSTANG INC
Wood Group, an international energy services company, provides a range of engineering, production support and maintenance services to Oil & Gas and Power industries through its core businesses WGPSN, WGKenny and WGMustang.

THE LATEST IN TECHNOLOGY AWAITS YOU AT OGA 2015!

3R SOFTWARE SOLUTIONS



3R solutions provides turnkey pipe-shop automation systems and software solutions. By streamlining fabrication processes and integrating a comprehensive software suite, significant savings can be achieved in both planning and fabrication.

ABB MALAYSIA SDN BHD

The Power of Integration - with our passion for technology and innovation, ABB is delivering leading-edge products and solutions to help customers optimise cost, efficiency and reliability.

ACCUTECH FLUID PRODUCTS PTE LTD

As a partner to all Oil & Gas companies, we recommend Sandvik tubes for all your hydraulic and instrumentation tubes as you drill deeper into harsher environment.

ALLALLOY DYNAWELD SDN BHD

Absolute watertight control for submerged arc fluxes. DRYBAG an innovative packing solution from OERLIKON reduces cost, time and energy. Allow to use the flux directly from fresh packing without reconditioning.

ALLINTON ENGINEERING & TRADING PTE LTD

KANAZAWA manufacture a complete range of high quality hydraulic tools for all industrial applications.

ALLOY & STAINLESS FASTENERS

Holding the Energy Industry Together

- Over 150 Material Grades
- Over 25 Coatings & Platings

AM SALES & MARKETING SDN BHD

AM specialises in the supply of industrial occupational health & environmental safety personal protective equipment for the Oil & Gas industry, automotive, aerospace and metalworking industry.

ANGUIL ENVIRONMENTAL SYSTEMS INC

Anguil manufactures air pollution control and off-gas treatment systems for oil/natural gas processors. Our thermal oxidizers and vapor combustors offer high destruction, low operating costs and small carbon footprint.

ARCA REGLER GMBH

ARCA develops, manufactures, and markets control valves on an international scale primarily for the chemical, pharma, food, power, steel, paper and oil and natural gas industries.

ARCELORMITTAL PROJECTS OIL & GAS

We are dedicated to the supply of high strength offshore structural steel plates, beams, seamless and welded tubulars according to international norms and safety standards.

ARGENT PACIFIC SDN BHD

ARGENT PACIFIC specialises in marine and offshore equipment; eg. Oily Water Separator, RO and Plate Type FW Maker, Ballast Water Management System, Sewage Treatment Plant, Flow Meters and Booster Systems.

ARTES INGEGNERIA SPA

ARTES Ingegneria (BONO Artes) is an Engineering and Construction Company specialised in water & waste water treatment specifically for the Oil & Gas Sector, Upstream & Downstream, onshore and offshore.

AS-SCHNEIDER ASIA-PACIFIC PTE LTD

AS-Schneider, founded in 1875, with around 350 employees is one of the world leading manufacturers of Instrumentation Valves, Manifolds and Accessories.

ATLAS COPCO (SOUTH EAST ASIA) PTE LTD

Atlas Copco can offer the right high quality solution for any possible torque or tension application. We Believed in the Right Product and the Right Offer.

AUMA ACTUATORS (S) PTE LTD

AUMA is a German manufacturer of electric actuators, gearboxes and control systems. AUMA comprehensive range of product is backed by a global AUMA service support, complete approval and certifications.

BERKAT OSH SERVICES SDN BHD

BOSH is a key provider for Occupational & Travel Health Services in Malaysia and fully licensed by PETRONAS. Our medical professionals include experienced Occupational Health Doctors and a competent team.

BLUTEK

BLUTEK designs and produces totally engineered TURNKEY SKID packages that include compressors, dryers and nitrogen generators for the Oil & Gas Industry. Based in Italy, BLUTEK is present worldwide.

BODYCOTE SURFACE TECHNOLOGY

Black carbide coating technology combines exceptional wear characteristics of HVOF tungsten carbide with Bodycote's proprietary ceramic coating technology. The result; coating that provides an unrivalled combination of wear and corrosion protection.

BOERGER PUMPS ASIA PTE LTD

Boerger Rotary Lobe Pump, undisputedly the most versatile pump in the industry today – abling to handle almost any liquids relatively with ease through a wide range of 20 pump sizes.

BONO ENERGIA SPA

BONO is a supplier of steam boilers, waste heat recovery boilers, hot water boilers, hot oil heaters operating with international EPC contractors and end-users for Oil & Gas projects.

BOSKALIS

Boskalis, a leading global services provider, offers a wide variety of marine services and contracting for the offshore energy sector including subsea, heavy transport, lifting, installation, towage and salvage.

BUMI HABITAT SDN BHD

BUMI HABITAT Sdn Bhd produced System Habitat TN2000-5 Ex-guard™ approved by IECEx Standard and Cargo Handling Equipment design manufacture, certified and documented to DNV 2.7.1, 2.7.2 & 2.7.3 by DNV.

BUREAU VERITAS (M) SDN BHD

At Bureau Veritas, we are committed to support you in meeting your needs and regulatory compliance in areas of Conformity Assessments, Asset Integrity Management services and Risk & Safety Studies.

CENTRE SIDE EXPRESS SDN BHD

CSE specialises in total logistics solution for Oil & Gas industry. We are here to take the worry off your hands, let the professionals worry about your logistics.

CHANG SHIN INTERNATIONAL CO LTD

Our HAMMER & BIT are known worldwide for dependable rock drilling performance on quarry, mining, construction and water well projects. We supply our HAMMER & BIT at very competitive prices.

CMEIS ENGINEERING SDN BHD

CMEIS is exclusive agent of CRANE CHEMPHARMA & ENERGY. CRANE is not a single brand but rather a collection of brand; STOCKHAM, DUO-CHECK, NOZ-CHECK, KROMBACH, FLOWSEAL and PASIFIC, to name a few.

COLFAX FLUID HANDLING

Colfax Fluid Handling terminal pump (500mm model) handles multiple fluid types, targeting loading and unloading applications for VLCC or other crude carrying vessels with max flow rate of 5000 m3/h.

COLSON X-CEL LTD

Colson X-Cel is a UK manufacturer of Instruments Ball, Needle and Manifold valves, Slimline Monflanges, Small and Large Bore Double Block and Bleed valves. All major parts are machined in-house.

COMECA EQUIPMENTS BASSE TENSION

COMECA Group is a specialist in the field of Low Voltage electrical solutions, with world-wide references in the Oil & Gas industry, Power Generation, Tertiary Distribution.

CONSYM SDN BHD

Consym, leader in PTFE lined pipes & fittings and a distributor of PFA lined valves & pumps in Malaysia, serves a wide ranging customer base in the chemical, biodiesel, petrochemical and water treatment industries.

CORDSTRAP MALAYSIA SDN BHD

Cordlash polyester lashing specifically designed to secure cargo in/on containers, trucks, flatracks and ships. Safer and faster, compared to conventional method using heavy duty steel, straps, wire ropes and etc.

CUBILITY AS

Cubility's MudCube® - a vacuum-based, filtration system - removes solids from drilling fluids leading to improved operational efficiencies, reduced drilling fluid costs, enhanced mud quality and a safer working environment.

DANA ENGINEERING SDN BHD

DESB collaborates with GE under GE Power & Water Division. DESB is dealing with products portfolio of GE - Waukesha & Jenbacher and carries out Sales, After-sales and spare parts supply.

DARCHEM ENGINEERING LTD

OEM Sensors-GE & RR Gas Turbo Engines.

DENSO

Denso Tape is a self-adhesive tape coating for protecting buried steel from corrosion. Easily applied and tolerant of less than perfect surface preparation. It has been used worldwide since 1929.

DEW JOURNAL

In publication since 1989, DEW journal is a monthly magazine from India, circulated internationally, focusing on Oil & Gas, engineering, machine & tools, shipping and HR. More details at www.dewjournal.com

DNV GL

DNV GL provides integrated service delivery across the entire Oil & Gas lifecycle including risk management advisory, technical advisory, technical assurance, Noble Denton marine assurance and advisory and offshore classification.

DONGKANG METAL CO LTD

We are a manufacturer of forged valves in South Korea. Our valves are high quality with low pricing.

DONGWON EN-TEC CO LTD

URAPROTEC provides protection for subsea cables or pipes from underwater environment damages.

DOWNHOLE PRODUCTS ASIA SDN BHD

DOWNHOLE PRODUCTS is a market leader in designing, manufacturing and supplying of casing accessories and completion equipment. Product range are Specialise Centralisers, Reamer Shoes, Float Equipment and Grippy Cable Protectors.

DRAEGER SAFETY ASIA PTE LTD

Dräger X-zone® 5500

Simply connect, communicate wirelessly. Ability to secure larger areas by connecting up to 25 units to form a wireless alarm chain between units.

DUTA KLASIK SDN BHD

Leader in services and technologies for Positive Pressure Welding Enclosure@Habitat in Malaysia!

EBARA PUMPS MALAYSIA SDN BHD

EBARA Cryodynamics Division is the recognised world leader in the design, engineering and production of specialised cryogenic liquefied gas pumps and turbine expanders.

ELECTROVEST ENGINEERING SDN BHD

Next Petroleum Sdn Bhd established since 1996. Our highly skilled and experienced personnel wish to assure competitive price and reliable service to our customers, where quality and delivery are paramount.

ELLEHAMMER A/S

Design, production and installation of Fire Pumps up to 3000 m3/h, diesel or electrical driven and even containerised. All individually tailored to customers' special requirements.

ERATECH MANUFACTURING SDN BHD

ERATECH is the first and only primary instrumentation manufacturer in Flow, Temperature and Level measurement in Malaysia. Some of our products: Orifice, Venturi Tube, Pitot Tube, Flow Nozzle, Wedge Flow Meter, Meter Run, Thermocouple Sensor, Thermowell.

FERGUSON GROUP SINGAPORE PTE LTD

The Ferguson Group is one of the world's leading suppliers of DNV 2.7-1 containers, tanks, mud skips, refrigeration units, accommodation and workspace modules to the global offshore energy industry.

FIRST MARINE SERVICES (M) SDN BHD

FMS Group is a Bumiputera company with more than 30 years of experience in the Oil & Gas Industry, gained from a wide portfolio of mainly upstream operation and support.

FISHER OFFSHORE

Fisher Offshore is a part of James Fisher and Sons plc, a leading service provider in all sectors of the marine industry and a specialist supplier of engineering services globally.

FITOK GMBH

Founded in 1998, FITOK Group is an industry-leading developer and manufacturer of superior quality instrumentation valves and fittings, having our R&D centers, manufacturing facilities, warehousing and service locations worldwide.

FLUID CONTROLS PRIVATE LIMITED

Fluid Controls offers a range of instrumentation fittings, valves, manifolds, clamps and DIN fittings. We also offer instrument hook-ups, high pressure needle valves, gas valves and block and bleed valves.

FORGIATURA MAMÉ

FORGIATURA MAMÉ offer a wide range of products: rings, flanges, discs, crank shafts, propeller shafts, camshafts, hubs, bushings, vessels, pinions, valves, bars, blanks, spindles, hollows, profile and shaped forgings to customised drawings.

FRAMES

Frames is the vital link between well and pipeline in the international Oil & Gas market. We provide products and services in three segments: onshore, offshore and floaters.

GARLOCK SINGAPORE PTE LTD

Garlock® is the global leader in high-performance sealing and pipeline protection products for the Oil & Gas industry. From upstream, midstream to petrochemical processes, we meet your rigorous sealing requirements.

GEORGIN

Georgin design and manufacture pressure and temperature instrumentation (logical and analog sensors) dedicated to safety area as well as intrinsic safety equipment (barriers, relays, converters, power supplies, indicators).

GLOBAL MARINE SYSTEMS LIMITED/ S. B. SUBMARINE SYSTEMS CO LTD

Global Marine Systems Limited and S.B. Submarine Systems provide submarine cable installation and maintenance services for the upstream Oil & Gas industry, utilising a fleet of advanced cable installation vessels.

GORIZIANE GROUP SPA

Goriziane Group produces technologically advanced pipe handling systems for vessels.

GOT GAS AND OIL TECHNOLOGY (SHANGHAI) CO LTD

GOT takes quality as first importance. Our special QC control system put all process under control, from the beginning of projects to the tens years after-sales.

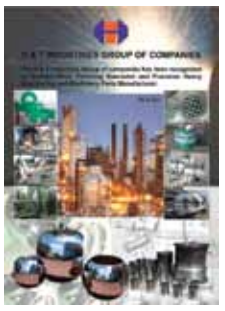
GRAND-FLO SPRITVEST SDN BHD

Empowering your business with Grand-Flo's Automatic Identification and Data Capture solutions.

GUSTOMSC

GustoMSC Oil & Gas Support and Maintenance jack-ups are safe, stable & solid platforms to work from. The NG-1800X is our best-in-class solution for these services in moderate environments.

H & T INDUSTRIES (KL) SDN BHD



H&T Industries Group gained recognition by our customers as market leader in Hard Chroming & Surface Metal Finishing, Precision Heavy Engineering services & Machinery parts Fabrication.

HABLEM OIL & GAS (M) SDN BHD

22 years of experience in Oil & Gas industry with outstanding performance, HABLEM has matured enough to compete by offering wide range of superior quality products and services.

HANMI INDUSTRIAL CO LTD

PCF PIPE
- High Power Strength Sewage Pipe
- Spiral polyethylene (PE) pipe reinforced with steel

Composite Rubber Hose
- Strong resist of pressure & flexibility hose

HBC-RADIOMATIC GMBH

Whether controlling industrial and construction cranes, mobile hydraulic applications, winches or special machinery in potentially explosive working environments, HBC-radiomatic offers a winning response. Possibilities are unlimited.

HELMKE ORBIS GMBH

Helmke has been an experienced specialist since 1922 in manufacturing of custom engineered motors and variable speed drive systems designed according to customer's requirements.

HELON EXPLOSION-PROOF ELECTRIC CO LTD

Helon Explosion-proof Electric Co Ltd is National High and New Technology Enterprise, and supplier for Sinopec, CNPC, CNOOC, etc. Helon's explosion-proof illumination (power) distribution box has passed the certification of ATEX & IECEx.

HEMPEL (SINGAPORE) PTE LTD

Winners of NACE and Frost & Sullivan award:
AvantGuard® is a new innovative anti-corrosion technology, based on activated zinc and locked into our new range of high performance protective coatings.

HENKEL HEADQUARTERS – ASIA

Backed by powerful Loctite brand, Henkel provides Oil and Gas industry, especially in refineries and petrochemical plants with engineering solutions and better maintenance that increase reliability and reduce downtime.

HI-FORCE LTD

Hi-Force manufacture a range of hydraulic torque wrench pumps. The TPA and TPE, air and electric driven pumps are compatible for use with the TWS-N and TWH-N hydraulic torque wrenches.

HIMA SEA SDN BHD

HIMA is the world's leading designer and manufacturer of automated safety solutions. Everything we do, think and create is designed to help achieve non-stop safety and provide uninterrupted plant operations.

HISAKAWORKS S.E.A. SDN BHD

Hisakaworks is the thermal engineering specialist of plates and brazed heat exchangers. HISAKA heat exchangers are employed for heating and cooling, heat exchanging and recovery, condensation or sterilisation.

HONEYWELL ANALYTICS

Honeywell Analytics introduces Touchpoint Pro – a complete integrated gas and logic safety control system delivering unrivalled flexibility and connectivity creating an industrial safety culture that is second to none.

HOOVER CONTAINER SOLUTIONS

Hoover manufactures, sells and rents a comprehensive portfolio of Intermediate Bulk Containers (IBCs), transport frames, offshore tanks & containers, ISO tank containers, for storage and transportation of chemicals, liquids and fluids.

HOTO STAINLESS STEEL INDUSTRIES SDN BHD

Hoto Stainless Steel Industries Sdn Bhd is your stainless structural Steel One-Stop Station. Here to introduce our new products range call Laser Fusion Stainless Structural Steel. No MOQ, Precise, ASTM Certified.

HY-LOK CORPORATION

Hy-Lok is one of the leading manufacturer for tube fitting and valves. We have supplied tubing system to the world instrumentation market including a variety of piping materials.

HYDAC TECHNOLOGY SDN BHD

Development and manufacture of components and sub-systems in fluid technology for utilisation in the Oil & Gas Industry:
Offshore, underwater or onshore solutions, from development all the way to production.

ICE QUBE

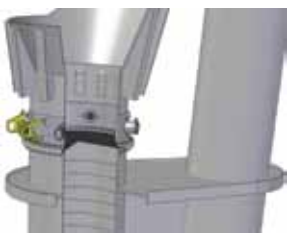
Ice Qube manufactures air conditioners for cooling electronics. 1,000 - 27,000 BTUh for ordinary & hazardous locations Class I, Division 1 & 2, Zones 1 & 2 Certifications: UL, cUL, ETL, CSA, CE, ETL, ATEX, IECEx.

IDT SINYUAN SEALING TECHNOLOGY CO LTD

Supply all kinds of gasket, including spiral wound gasket, camprofile gasket, corrugated gasket, ring joint gasket, graphite / PTFE / Non-asbestos gasket etc.

IHC ASIA PACIFIC PTE LTD

IQIP Jacket Pile Grippers (JPG) are used to create connection between the skirt pile and jacket. JPGs create a fast retaining elevated position after leveling. Capacities and pile diameters are limitless.



IMPACT SPECIAL METALS

International stockholder of fully certified steels including nickel alloys, stainless steels, duplex/superduplex steels and titanium used in the manufacture of precision engineered components for critical applications across all industry sectors.

INDIANA GRATINGS PVT LTD

Established in 1968, Indiana is a leading manufacturer and global exporter of Shop Fabricated Hot Rolled & Built-up Sections, Floor Gratings, Safety Handrails, Cable Trays, Cable Ladders and Wiremesh Trays.

INTECSEA MALAYSIA

INTECSEA has established an excellent reputation for specialised engineering services in the world's frontier and deepwater areas. Industry's most comprehensive expertise from subsea wells, through offshore facilities to onshore distribution.

IPU GROUP

IPU provides non-electric starting systems for diesel engines in generators, fire pumps and other equipment. This includes ATEX approved hydraulic and air starters for use in hazardous environments.

JCT ENGINEERING SERVICES SDN BHD

JCT Engineering Services specialises in high pressure hydraulic tools and equipment which include pump, cylinder, torque wrench, presses etc. We are the authorised ENERPAC distributor and service centre in Malaysia.

JJ-LAPP CABLE (M) SDN BHD

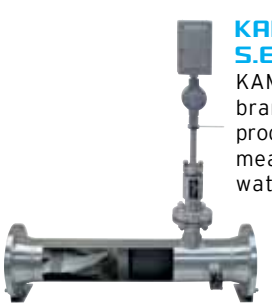
JJ-Lapp Cable affiliate with Camuna Cavi, offers you a reliable customised cable solutions in measurement and control for industrial connectivity in intrinsically safe environment and explosion proof zones.

JOH. HEINR. BORNEMANN GMBH

Twin screw pumps, progressive cavity pumps, high pressure pumps, multiphase boosting pumps, self priming positive displacement pumps, cargo pumps, lube oil pumps, loading/ unloading pumps, bilge pumps.

JOLAC ENGINEERING SDN BHD

Sole & Exclusive Agent for:
- Flowserve, Valtek Control Valve
- Magnetrol Level & Flow Solutions
- ORION Instrument (a Magnetrol Company) specialising in Magnetic Level Gauge/Indicator
- BS&B Buckling Pin Pressure Relief Valve (BPRV)

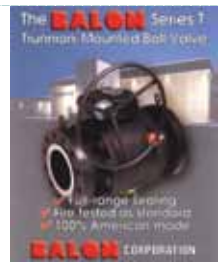


KAM CONTROLS S.E.A. SDN BHD

KAM CONTROLS, a world leading brand in offering a full range of products for sampling, mixing, flow measurement, moisture analysis, watercut, interface and color in pipeline and processing systems.

KARCHER CLEANING SYSTEMS SDN BHD

Kärcher HD cage range ensures high mobility, even on uneven surfaces or areas without power supply. It is equipped with explosion proof. With pressure 500bar, stubborn dirt won't stand a chance.



KHENG CHEONG CO PTE LTD

Kheng Cheong Co Pte Ltd specialises in valve supply turnkey projects including stocking specially for the Oil & Gas industries. The valve standard designs are of API (USA/Korea).

KLAUS UNION GMBH & CO KG

Twin Screw Pumps, Magnetic Drive and Shaft Seal Centrifugal Pumps for the Oil & Gas, Chemistry & Petrochemistry and the Pharmaceutical & Bio Industry. According to DIN EN and API standard.

KLINGE CORPORATION

Klinge Corporation manufactures Explosion-Proof Transport Refrigerated Containers for the Oil & Gas industry. Their equipment complies with the ATEX Directive (EU safety regulation for equipment used in potentially explosive environments) and DNV (stringent safety regulation for ISO containers).

KUC INDUSTRIAL SUPPLIES SDN BHD

Reinventing Articulating Lens Infrared Camera. Redefine Thermal Imaging Experience. Your view of infrared is about to change 180° with 180° articulating lens, Image quality with SuperResolution and LaserSharp® Auto Focus.

LABUAN SHIPYARD AND ENGINEERING SDN BHD

LSE is the first shipyard in Borneo accredited with ISO Integrated Management System (IMS), specialising in shipbuilding, ship repairs, MRO services for naval and paramilitary vessels and O&G industry-related fabrications.

LEEDEN WELDING SDN BHD

Mirage's range of internal and external mounted Flange Facing machines utilise patented power feed tool posts, demonstrating innovative designs with the latest linear and ball screw technology.

LEONG JIN CORPORATION PTE LTD

Over the years, Leong Jin has evolved from a steel stockist to become a one-stop solution for specialty steel, including Shape Forgings, Machining, Q & T Line for Wear-Resistant & Structural Plates.

LIMA BINTANG SHIPPING & FORWARDING SDN BHD

Lima Bintang is cross border transportation service provider between Singapore, Malaysia and Thailand. Lima Bintang is specialised in project heavy cargo and bonded warehouse service which is located in Johor.

LKAB MINERALS LTD

Manufacturer of MagnaDense; a high density ballast for gravity based foundations, steel gravity structures and floating foundations. MagnaDense has a submerged ballast density range between 2.6 – 3.1 t/m3.

M O N T I – WERKZEUGE GMBH

Bristle Blaster® - Blasting without Grit. Innovative technology for professional surface preparation. The only hand-held tool that can replace grit blasting on small areas: cleanlines comparable SA2.5, roughness (anchor profile).

M3NERGY BHD

An emerging Exploration and Production (E&P) company with proven capability for innovative floating solutions (FPSO, FSO, MOPU, FSRU & FPU) and Early Production Systems (EPS).

MAPS & GLOBE SPECIALIST DISTRIBUTOR SDN BHD

Boost Your Business Through Our Advertising and Mapping Solutions.

MASTERFORM SA

We produce 700 bar high pressure hydraulic pumps and accessories like valves and distributors, that are used as a source of power for wide range of hydraulic tools.

MATRIX U/E TECHNOLOGIES LIMITED

A smart scanner for pipeline welds inspection!

MAXIMATOR FAR EAST PTE LTD

Maximator offers Test Bay Systems with control module(s) for input of Test Pressure, Holding Time, Parameters of Test Specimen and printing Test Report(s) with Integrated CCTV System & Video Camera(s).

MB OPTICS SDN BHD

We have many years of experience in supplying good quality prescription safety glasses with International Safety Standard. Today, we are the sole authorised distributor in Malaysia for Titmus, 3M, Caterpillar & Hudson.

MEMBRANA

Membrana manufactures Liqui-Cel® Membrane Contactors which are compact, light-weight membrane-based devices used to remove dissolved oxygen from water to less than 10ppb.

MEMBRANE SOLUTIONS

MS provide high quality of water resources, help oil industry to achieve higher efficiency and effectively reduce the cost and energy consumption.

MISI SETIA OIL & GAS SDN BHD

Misi Setia Oil & Gas Sdn Bhd (MSOG), wholly-owned subsidiary of WZ Satu Berhad is a PETRONAS licensed contractor and vendor with ISO 9001:2008 & OHSAS 18001:2007 certification.

MITUTOYO (MALAYSIA) SDN BHD

New top-bottom continuous measurement and variable measuring force enable efficient, highly accurate measurement of a wide range of objects.

MOSEB

MOSEB Engineering aims to become a flow expert (liquids & gases) company in Malaysia. Our uniqueness brand, Fluid Components Intl (FCI) - USA are experts on thermal mass flow meters & switches.
Featuring: wide turndown, excellent low flow, ideal for wet & dirty gas, 450⁰ max, are widely used. For flare, biogas & hydrocarbon gas application.

MTU ASIA PTE LTD

As a leading provider of diesel engines and complete drive systems, MTU offers one of the most comprehensive and most modern product programme for the Oil & Gas industry.

MUHIBBAH ENGINEERING (M) BHD

Muhibbah is proud to be one of the elite few in this industry to provide a comprehensive one-stop solution for both construction and Oil & Gas projects.

NATIONWIDE OIL & GAS SDN BHD

A Malaysian Company with offices in East and West Malaysia, predominantly serving the Oil & Gas and Petrochemical Industries. We specialise in mechanical & process equipment, instrumentation and control systems.

NCMC MANUFACTURING

Light Weight Steel Grating, Hot Dip Galvanized, Anti-Slip, Oil & Gas Platform, Stairtreads, Power Plant, Hydro Dam, Oil Palm Mill, Water Treatment Plant, Heavy Industry Plant, Tower Crane, Shipping and Marine.

NEU DIMENSION SDN BHD

Coiled Tubing Services extends the life of existing wells through live intervention, allowing assets maturation, minimise operational time/costs without removing production tubing or requiring workover rig.

NGEE MING SHOE MANUFACTURING SDN BHD

OSCAR established since 1970, "Think Of Safety, Think of OSCAR". Renowned Oscar safety footwear suitable for light and heavy industries. OSCAR won recognised quality standard of CE, DOSH, ISO 9001: 2008 etc.

NORBAR TORQUE TOOLS LTD

EvoTorque® is an electronic torque tool designed for applying torque to threaded fasteners. The unique 'Intelligent Joint Sensing' technology will accurately tighten to the correct torque.

NV BEKAERT SA

Look Out For The Best Solutions From Participating International Pavilions!

A total of 16 international group pavilions will be taking part at OGA 2015. The participating countries are Australia, Austria, Belgium, China, Denmark, France, Germany, India, Italy, Singapore, South Korea, Norway, The Netherlands, Scotland, UK and the USA!
Here is an introduction to some of the international pavilions.

AMERICAN PAVILION

The USA Pavilion at OGA 2015, located in Halls 4-5 of the KL Convention Center, will showcase 16 U.S. companies featuring innovative solutions for SE Asia's Oil & Gas industry.

The USA Pavilion will also host the U.S. Commercial Service of the U.S. Embassy in Malaysia, with specialists on hand throughout the exhibition to provide guidance and knowledge to exhibitors.

For more information contact USA Pavilion Organizer: David Rudel at DavidR@ImexManagement.com.

AUSTRALIAN PAVILION

The 2015 Australian pavilion has 8 quality manufacturers and service providers across a broad range of product and service categories. Trust the Australians for Safe, Reliable and Enhanced Product Performance for your Oil & Gas Operations and Projects. Come visit Global Supply Line, Hawke Measurement Systems, Hytorc South Pacific, Thermal Electric Elements, Safemate Antislip, Total Schmidt, Krushers and Hawke Transit Systems in Hall 7.

AUSTRIAN PAVILION

ADVANTAGE AUSTRIA has recently been awarded the Global TPO Award as the world's best Trade Promotion Organisation. With more than 110 offices worldwide, ADVANTAGE AUSTRIA provides a broad range of intelligence and business development services for both Austrian companies and their international business partners ADVANTAGE-AUSTRIA is proud to present a group of world-renowned Oil & Gas industry experts at the AUSTRIAN PAVILION:

Visit the Austrian Pavilion at Hall 6.

BELGIAN PAVILION

The Belgian Trade Commission strives to support the international development of its national flourishing companies. To achieve this objective in South-East Asia, we push forward the expertise of our "Belgian Factor" to spark the interests of Malaysians companies and individuals for their latest technologies. Their purpose is to promote co-operation, to bring synergy between Belgian professionals & Malaysian experts in business contexts. The Belgian know-how at its best, for you to discover at stand 6033.

BRITISH PAVILION

EIC (Energy Industries Council) are once again proud to be hosting the UK National Pavilion at OGA 2015. Situated in Hall 5, 26 UK companies will be exhibiting this year. OGA continues to be an important showcase for the UK Supply Chain who are globally recognised as leaders in Oil and Gas products and services.

For more information please come and visit the EIC stand, situated on stand number 5803 Hall 5.

DANISH PAVILION

"Together we are strong!" is the fundamental idea behind the Danish Pavilion.

A combination of keen sense of quality and application of modern technologies has formed the modern Danish industry. The Danish group of independent companies offer new innovative ways of doing business, for example alliancing, outsourcing and partnering – all of which is advantageous for greater cost efficiency.

Come and meet the Danish Pavilion at stand 9080 Hall 9!

DUTCH PAVILION

IRO – The Association for Dutch Suppliers to the Oil & Gas Industry is happy to organise for the 4th time a Pavilion at OGA 2015. In the pavilion, 12 companies will present their products and latest innovations from The Netherlands.

Please visit the Dutch Pavilion in Hall 1.

FRENCH PAVILION

For the second time at OGA, Business France is organising the French Pavilion and have gathered 12 companies providing innovative services and/or equipment to the O&G industry. Malaysia is a very important focus for them and OGA offers the best opportunity to communicate on their know-how or reach potential customers or partners. The results achieved in 2013 have made OGA a main event for the companies acting in the O&G sector. Following their participation, some of the exhibitors have finalised partnerships in Malaysia and are now completely installed in the area. Some have found the right partner and are under the process of clarification, some others, already settled on the market have registered orders or potential contacts.

Visit them at Hall 6.

SCOTTISH PAVILION

Scottish Development International (SDI), a government funded organisation works to help Scottish companies export and invest overseas and to promote Scotland as a good place to locate for foreign investors. For OGA 2015 we are working closely with companies to promote tried and tested technology with an innovative and leading edge.

Come and visit us at Stand 6124.
