Javier Colado, Intralinks President, AsiaPacific

Javier Colado is President, Asia Pacific, for enterprise content management solutions and largest online deal-sourcing platform provider, Intralinks.

Based out of Singapore, Javier is responsible for driving sales and achieving strong growth targets for the business within the APAC region. Javier brings a wealth of experience within the enterprise technology field to his role at Intralinks, most recently as Managing Director for Spain and Portugal at SAP. Prior to SAP, he led worldwide sales for Novell and also served as president for Europe, the Middle East and Africa and as Channel Chief, helping expand into South America and Eastern Europe. In addition, he has also held senior management positions at McAfee and Lucent Technologies. In 2008, Javier completed the General Management Program at Harvard Business School. He also holds a degree in Telecom Engineering from Universidad Politecnica Madrid and completed the General Management Program (PDG) from IESE Business School at the University of Navarra.
